ATTENDANCE

PreK – 12th Grade

Students attend 180 days of school each school year, with approximately 45 days in each 9-week period. For all grades, the school day runs 8:30 a.m. until 3:00 p.m. Wednesdays are “early release” days and school will be dismissed one hour earlier (2:00 p.m.). Montessori and elementary students who are late should be signed in at the office by a parent and then report to their class. Middle and upper school students should sign in at the school office and receive a tardy slip to be admitted to class. If you know your child will be tardy or absent, please contact the school office. Excused absences must be documented by a medical doctor.

VPK hours are from 8:30 A.M. until 11:30 A.M. each school day. Every month a VPK student’s parent or guardian is required to verify his or her attendance by signing an attendance log form. Parents must print their names, sign the forms, and date the signatures.

It is a very important policy, for the safety of all children, that they sign in through the office when arriving at school after 8:30 a.m. This allows us to have an accurate roster of all students in the event of an emergency.

Students should not miss school except when absolutely necessary; however, students should not be sent to school if there are any signs of fever, rash, head lice, pink-eye, etc. Please notify the school if your child is absent due to a contagious illness.

If a student needs to leave prior to dismissal, he/she may do so only with parental permission. Non-driving students must be signed out in the office by a parent or by someone specified in writing by the parent or guardian of the student. Students who drive themselves must have written permission from a parent or guardian and must check out in the office before leaving campus. Office personnel will verify this written permission before a student is allowed to leave campus.

Before and After School Program

Central Florida Preparatory School provides an extended day program for the convenience of those parents who need to drop off their children early or pick up their children late. This program is offered at an additional fee. Before school, students may be dropped off at any time between 7:00 a.m. and 7:45 a.m. This class will be held in the cafeteria. After school, students may be picked up as late as 6:30 p.m. **Late Pickup:** Campus closes at 6:30 p.m. every day. Pick up after 6:30 p.m. will result in fees being assessed in the amount of \$20/child for the first 10 minutes past closing time and an additional \$5/minute after that. We reserve the right to suspend extended day services after the third instance of late pickup. In the event a parent/guardian experiences a true emergency, the Program Director must be notified via message in the Procure app or by email at ayorks@cfprep.org. If no contact has been received by 6:45 p.m., attempts will be made to contact persons on the child’s emergency list. If the child is not picked up by 7:00 p.m., local authorities will be notified.

It is the school policy that teachers will remain with their students until 15 minutes after the end of school (2:15 on Wednesdays and 3:15 on all other days). At that time, the teacher automatically escorts all remaining students to the after-care location (playground in nice weather; cafeteria in other weather). Parents/families must comply with the late pickup policy outlined in the parent agreement signed before services begin.

Lower School – Absences

Each classroom teacher is responsible for recording daily attendance for his or her class. A student in 1st-5th grade is considered absent if he/she leaves before 11:30 a.m. and is gone for the remainder of the day. If a student needs to leave during the day, the parent should send a note informing the teacher and sign out the student in the school office. Students who are absent may not participate in a school function after school hours such as special events, field trips and athletic events. The eleventh (11th) unexcused absence in a semester will result in the student failing a course for that semester. Absences will be excused by the office for the following: illness documented by a doctor's excuse, appointments documented by a doctor's excuse or death in the family. All excuses must be presented to the office upon a student's return to school. If the excuse is not presented upon the student's return to school, the absence will be counted as unexcused. It is the responsibility of the student or parent/guardian to bring the excuse to the office within 24 hours of the absence. Students who are absent may not participate in a school function after school hours such as special events, field trips, or athletic events on the same day as an absence. For all students, if a student is absent because of a contagious illness, parents are asked to notify the school office as soon as possible. **3 tardies = 1 absence**

Lower School – Tardies

It is very important to the teacher and staff that students arrive at school and put their belongings away in time to start class at 8:30 a.m. A student is considered tardy if he/she arrives after 8:30 a.m. The classroom teacher will handle tardies. If a student has 5 or more tardies in a 9-week period, the principal will request a conference with the parent/guardian. **3 tardies = 1 absence**

Upper School – Absences

Each first period teacher will take roll and report first-period absences to the office each morning. In addition, each teacher will take roll at the beginning of each class period; this report is turned into the office at the end of each week. Absences for students in 6th-12th grades will be counted per each class period. **3 tardies = 1 absence**

The eleventh (11th) unexcused absence in a semester will result in a 9th-12th grade student failing a course for that semester. Absences will be excused by the office for the following: illness documented by a doctor's excuse, appointments documented by a doctor's excuse or death in the family. All excuses must be presented to the office upon a student's return to school. If the excuse is not presented upon a student's return to school, the absence will be counted as unexcused. It is the responsibility of the student or parent to bring the excuse to the office within 24 hours of the absence. Students who are absent may not participate in a school function after school hours such as special events, field trips, or athletic events on the same day as an absence.

For all students, if a student is absent because of a contagious illness, parents are asked to notify the school office as soon as possible.

Upper School – Tardies

A student is considered tardy if he/she arrives to the classroom after class has begun. Excused tardies will be granted with a doctor's excuse, which must be presented to the office upon a student's arrival at school. **3 tardies = 1 absence.**

CURRICULUM

CFP offers a structured curriculum, which meets or exceeds guidelines for Orange County Public Schools. This curriculum is based on the Florida Department of Education Curriculum Frameworks.

Homework

Homework not only reinforces skills taught in the classroom, but also helps parents keep track of what is happening at school. Effective, long-lasting study habits occur through reasonable and purposeful homework assignments. Review the following guidelines throughout the year:

- Check student's homework calendar each night (applicable to grades 1 – 12; found on your child's digital dashboard)
- Set a specific time and place for homework
- Read each night
- If a student is absent, he/she will be given equal time to make up the work, but it is up to the student to find out what was missed
- 6th through 12th grade students must complete all assignments within five school days of its due date or receive a zero for those assignments

DISCIPLINE

All School

Central Florida Preparatory School reserves the right to terminate services to any child at any time for any reason. At no time may any teacher or staff member use corporal punishment or confinement. Corporal punishment is defined as the moderate use of physical force or physical contact by a teacher or principal to maintain discipline or to enforce school rule.

Montessori (ages one through kindergarten)

The form of discipline used in Montessori classrooms is Conscious Discipline. The child is redirected from the source of the disruption to an appropriate area of work. Ground rules are

set, explained and enforced in the beginning of the year to ensure the safety and happiness of all the children in the classroom. In the event that redirection does not work, the teacher will contact the parents for a conference to determine possible causes for the child's behavior and implement a plan to help the child. Children "misbehave" because they do not understand or have conflicting ground rules to follow, or in some instances, it is due to their inability to express their emotions and feelings brought on by some unhappy event in their lives. We are here for the children and will work with parents to the best of our abilities. In rare cases where parents will not cooperate with the school, or when a child becomes physically violent, the Director may request the removal of the child from school.

Montessori/Lower/Upper School

Student parking is located along the front row of the parking lot. Driving privileges may be revoked because of noncompliance with any CFP policy. Other students may drive students only if a Student Transportation Permission Form (available in the office) is properly completed by the parent or guardian of the student being driven by another student. Students must sign out in the front office before leaving campus.

EMERGENCIES

Please keep in mind that CFP is housed in permanent structures; therefore, certain weather or traffic conditions may make it more hazardous to travel on the roads than to remain in the buildings. However, if an emergency occurs during the school day and the decision to close CFP is made by the administration based on what would be the safest course of action for the students; all parents will be notified by phone via our FACTS communication system. Supervision will be kept in place until all children have been picked up. If an emergency situation occurs overnight, CFP's decision to remain open or closed will be broadcast on local news and radio stations, posted on our website, and announced on or voice message. If you choose to pick up your child from school, please do not discuss the reason in front of other children. In such situations, the staff's main objective is to maintain a calm atmosphere.

If the emergency situation requires an evacuation of the school, the evacuation will be treated like a fire drill. All students will be escorted outside, and an administrator will activate our FACTS system and/or school staff will utilize cell phones to begin calling parents. Parent volunteers will be asked to come to school to help in calling other parents or in supervising students while staff members make the phone calls.

FIELD TRIPS

A Medical Authorization Form and Field Trip Permission slip must be completed before any student is allowed to leave campus on a field trip. Please make sure your completed form is turned in to the office. This form will be kept in your child's file. Your child's classroom teacher will notify you of each field trip occurrence. Account must be current to attend any school field trips.

LUNCH PROGRAM

Students may bring their lunch or purchase a lunch provided from our cafeteria. We have an on-site cafeteria that prepares delicious and nutritious meals each day. Lunches can be ordered up to a month in advance but *must* be ordered 2 days in advance. The ordering window closes after that time, and you will not be able to order lunches past that time.

Lunch Ordering Procedures

- Log into your FACTS account
- Click on the Lunch Orders tab and order lunches you wish to purchase
- Pay through FACTS
- You must order 2 days in advance, but you may order up to a month in advance. Some families like to order for a month at a time; the choice is yours.

If your child brings a lunch, please make sure that the lunch boxes and bags are clearly marked with the child's name. For Montessori students, please include a cloth place-mat and cloth napkin. CFP also encourages nourishing lunches be packed in reusable containers. Candy, gum, and soda are prohibited.

If for any reason your child does not have lunch (no lunch or same-day orders), we will call you to bring a lunch. You will also have the option to purchase a turkey and cheese sandwich, chips, and water.

Outside food vendor delivery to students is not allowed. Examples include UberEats, Door Dash, Postmates, Grubhub, restaurant delivery, etc.

MEDICAL

In order to contain and prevent the spread of contaminants, CFP has adopted guidelines covering certain situations, and illness in general. These guidelines are not to be considered as all-inclusive; if or when other situations occur, they will be addressed accordingly.

Prescription Medicine

Prescription medicine may be dispensed at school if the parent has completed an Authorization for Administering Student Medication form. Medicine must be provided to the school office ready to be dispensed (i.e., if a partial pill is required, it must be submitted to the office already halved or quartered) and with appropriate dispenser (if liquid).

OTC Medicine

Over-the-counter medicine (Tylenol, Pepto-Bismol, etc.) may be dispensed to students complaining of headaches or stomachaches only after a parent has been contacted and permission given to administer the medicine. The office must verify your instructions with you before dispensing medication. If you anticipate that your child may need Tylenol or other OTC medication and you feel comfortable with the medication being dispensed at the discretion of the school office, then you may complete an Authorization for Administering Student Medication form stating under what circumstances and in what amounts such medication can be given.

Communicable Illness

If your child develops any of these symptoms during the day or if they are not able to participate in normal daily activities they must be picked up promptly (within one hour) and may not return until one of the following occur:

1. Your child has been symptom free for 24 hours without the use of medication.
2. When your child leaves CFP from a sick call, they are not considered symptom free. The 24-hour period begins when symptoms end while your child is at home recovering.
3. A doctor's note is provided stating that your child may return to school, participate completely, and is free from any communicable illnesses.
4. If your child has been to the doctor and has had an antibiotic prescribed, he/she must be on the medication for a minimum of 24 hours or 2 doses before returning to school, unless otherwise stated by a physician.

When a child develops a fever, it is necessary to either see a physician or stay home to rest and recover. Sending a child to school that has been on medication to reduce a fever is strictly prohibited.
