

Summer Reading List for Second Grade

These books are highly recommended from a variety of levels for children entering second grade. If your child is at a higher level, you may want to have them read the books that are on the more challenging. The importance of summer reading is twofold, to help your child retain and enhance their reading skills. Summer learning loss erases gains made during the school year, but summer learning programs keep kids growing! Happy reading! 😊

The list below is suggested books to read before entering Second Grade:

Picture Books:

- A Chair for my Mother by Vera Williams
