The required registration fee and tuition insurance fee, both non-refundable, are required upon enrollment. Upon acceptance to CFP, CFP enrolls the child and reserves the student's place for the corresponding school year. The party responsible for the student agrees to make all payments as detailed in the Tuition Policies.

Enrollment is made for the entire school year. Fees are due and payable by June 1. For the convenience of parents/guardians, tuition is divided into eleven equal payments, payable the first of each month. The first payment is due by July 1. The final payment is due by May 1. All accounts must be settled before transcripts and records can be released. Accounts that are past due 30 days will cause to immediate suspension at the school's discretion.

*International Curriculum Fee: May be waived based on English proficiency.

*Meal Plan: Covers daily lunch throughout the school year. Snacks are available for purchase online.

*Uniform Plan: Various options are available to ensure your student has the necessary attire. You can select a uniform plan within your enrollment packet.

*Please note that all totals are estimates and may vary depending on individual needs.

Fees not directly paid to CFP, such as SEVIS I-20 fees, international health insurance, physicals/immunization appointments, and others, are not included. This is intended as a general guide for estimating fees.
